American Pie

[Verse 1]

G D/F# Em7
A long, long time ago,
Am C Em D
I can still remember how that music used to make me smile
G D/F# Em7
And I know if I had my chance,
Am C Em C D
That I could make those people dance and maybe they'd be happy for a while
Em Am Em Am
But February made me shiver, with every paper I'd deliver
C G Am C D
Bad news on the doorstep, I couldn't take one more step
G D/F# Em Am7 D
I can't remember if I cried when I read about his widowed bride
G D Em
Something touched me deep inside
C D7 G
The day the music died

[Chorus:]

G C G D
So bye, bye Miss American Pie
G C G D
Drove my Chevy to the levy but the levy was dry
G C G D
And them good old boys were drinkin' whiskey and rye
Em* A7* Em* D7
Singin' this will be the day that I die, this will be the day that I die

[Verse 2]

G Am
Did you write the book of love
C Am Em D
And do you have faith in god above, if the bible tells you so?
G D/F# Em
Do you believe in rock and roll
Am7 C Em A7 D
Can music save your mortal soul and can you teach me how to dance real
slow?
Em* D* Em* D*
Well I know that you're in love with him 'cuz I saw you dancin' in the gym
C G A7 C D7
You both kicked off your shoes, man I dig those rhythm and blues
G D/F# Em Am C
I was a lonely teenage broncin' buck with a pink carnation and a pickup truck
G D/F# Em C D7 G C G
But I knew I was out of luck the day the music died, I started singin'

[Chorus]

[Verse 3]

G Am
Now for ten years we've been on our own,
C Am Em D
and moss grows fat on a rolling stone but that's not how it used to be
G D/F# Em
When the jester sang for the king and queen
Am7 C Em A7 D
in a coat he borrowed from James Dean in a voice that came from you and me
Em* D* Em* D*
And while the king was looking down, the jester stole his thorny crown
C G A7 C D7
The courtroom was adjourned, no verdict was returned
G D/F# Em Am C
And while Lenin read a book on Marx, the quartet practiced in the park
G D/F# Em C D7 G C G
And we sang dirges in the dark the day the music died, we were singin'

[Chorus]

[Verse 4]

G Am
Helter skelter in a summer swelter
C Am Em D
the birds flew off with a fallout shelter, eight miles high and fallin' fast
G D/F# Em
It landed foul on the grass
Am7 C Em A7 D
the players tried for a forward pass, with the jester on the sidelines in a cast
Em* D* Em* D*
Now at halftime there was sweet perfume, while sergeants played a
marching tune
C G A7 C D7
We all got up to dance, but we never got the chance
G D/F# Em Am C
'Cuz the players tried to take the field, the marching band refused to yield
G D/F# Em C D7 G C G
Do you recall what was the feel the day the music died, we started singin'

[Chorus]

[Verse 5]

G Am
And there we were all in one place,
C Am Em D
a generation lost in space, with no time left to start again
G D/F# Em Am7 C
So come on Jack be nimble, Jack be quick, Jack Flash sat on a candle

Em* D* Em* D*
And as I watched him on the stage, my hands were clenched in fists of rage
C G A7 C D7
No angel born in Hell could break that Satan's spell
G D/F# Em Am C
And as the flames climbed high into the night to light the sacrificial rite
G D/F# Em C D7 G C G
I saw Satan laughing with delight the day the music died, he was singin'

[Chorus]

[Verse 6]

G D/F# Em
I met a girl who sang the blues
Am C Em D
And I asked her for some happy news, but she just smiled and turned away
G D/F# Em
I went down to the sacred store

Where I'd heard the music years before, but the man there said the music

But in the streets the children screamed, the lovers cried and the poets

And the three men I admire most, the Father, Son, and the Holy Ghost

They caught the last train for the coast the day the music died,

Be Kind to Your Web-Footed Friends

Be kind to your web footed friends,
For that duck may be somebody's mother
She lives in a hole in a swamp
Where the weather is always damp
You may think that this is the end:
Well it is, but to prove that we're all liars
We're going to sing it again,
But only this time we will sing a little higher

Repeat as many times as you like (or stand) rising in pitch with each repeat.

Last verse :

Be kind to your web footed friends,
For that duck may be somebody's mother
She lives in a hole in a swamp
Where the weather is always damp
You may think that this is the end:
Well, it is!

Bear Song

The other day, I met a bear,
A great big bear Oh way out there.
He looked at me, I looked at him,
He sized up me, I sized up him.
He said to me, why don't you run?
I see your ain't got any gun.
And so I ran, away from there
But right behind, me was that bear.
In front of me, there was a tree.
A great big tree, Oh glory be.
The lowest branch, was ten feet up.
I'd have to jump, and trust my luck.
And so I jumped, into the air.
But I missed that branch, on the way up there.
Now don't you fret, and don't you frown.
For I caught that branch, on the way back down.
That's all there is, there ain't no more.
Unless I meet, that bear once more.

One evening as the sun went down
And the jungle fires were burning,
Down the track came a hobo hiking,
And he said, "Boys, I'm not turning

I'm headed for a land that's far away
Besides the crystal fountains
So come with me, we'll go and see
The Big Rock Candy Mountains

In the Big Rock Candy Mountains,
There's a land that's fair and bright,
Where the handouts grow on bushes
And you sleep out every night.

Where the boxcars all are empty
And the sun shines every day
And the birds and the bees
And the cigarette trees
The lemonade springs
Where the bluebird sings
In the Big Rock Candy Mountains.

In the Big Rock Candy Mountains
All the cows have wooden legs
And the bulldogs all have rubber teeth
And the hens lay soft-boiled eggs

The farmers' trees are full of fruit
And the barns are full of hay
Oh I'm bound to go
Where there ain't no snow
Where the rain don't fall
The winds don't blow
In the Big Rock Candy Mountains.

In the Big Rock Candy Mountains
You never change your socks
And the little streams of alcohol
Come trickling down the rocks

The brakemen have to tip their hats
And the railway bulls are blind
There's a lake of stew
And of whiskey too
You can paddle all around it
In a big canoe
In the Big Rock Candy Mountains

In the Big Rock Candy Mountains,
The jails are made of tin.
And you can walk right out again,
As soon as you are in.

There ain't no short-handled shovels,
No axes, saws nor picks,
I'm bound to stay
Where you sleep all day,
Where they hung the jerk
That invented work
In the Big Rock Candy Mountains.

....
I'll see you all this coming fall
In the Big Rock Candy Mountains

Black Velvet Band

In a neat little town they called Belfast
Apprentice to trade I was bound
And many an hour's sweet happiness
Have I spent in that neat little town

As sad misfortune came over me
Which caused me to stray from the land
Far away from me friends and relations
Betrayed by the black velvet band

[Chorus:]

Her eyes they shown like diamonds
I thought her the queen of the land
And her hair, it hung over her shoulder
Tied up with a black velvet band

I took a stroll down Broadway
Meaning not long for to stay
When who should I meet but this pretty fair maid
Come a-traipsing along the highway

She was both fair and handsome
Her neck, it was just like a swan
And her hair, it hung over her shoulder
Tied up with a black velvet band

[Chorus]

I took a stroll with this pretty fair maid
And a gentleman passing us by
Well, I knew she meant the doing of him
By the look in her roguish black eye

A gold watch she took from his pocket
And placed it right into my hand
And the very first thing that I said, was
Bad 'cess to the black velvet band

[Chorus]

Before the judge and the jury
Next morning, I had to appear
The judge, he says to me
"Young man, you're case it is proven clear

We'll give you seven years penal servitude
To be spent far away from the land
Far away from your friends and relations
Betrayed by the black velvet band"

[Chorus]

So come all you jolly young fellows
A warning take by me
When you are out on the town, me lads
Beware of the pretty Colleens

They'll feed you with strong drink, me lads
'Til you are unable to stand
And the very first thing that you'll know is
You've landed in Van Diemens Land

[Chorus]

Brand New Key

I rode my bicycle past your window last night
I roller skated to your door at daylight
It almost seems like you're avoiding me
I'm okay alone but you've got something I need

Well, I've got a brand new pair of roller skates
You've got a brand new key
I think that we should get together
And try them on to see

I've been looking around awhile
You've got something for me
Oh I've got a brand new pair of roller skates
You've got a brand new key

I ride my bike I rollerskate don't drive no car
Don't go too fast but I go pretty far
For somebody who don't drive
I've been all around the world
Some people say I've done alright for a girl

Oh, yeah yeah
I asked your mother if you were at home
She said yes, but you weren't alone
Sometimes I think that you're avoiding me
I'm okay alone but you've got something I need

Well I've got a brand new pair of roller skates
You've got a brand new key
I think that we should get together

Cottage in a Wood

In a cottage in a wood
Little old man at the window stood,
Saw a rabbit running by
Frightened as could be.
"Help me, help me, sir," she said,
"Before the huntsman shoots me dead."
"Come, little rabbit, come with me,
Happy we will be."

Actions:

Cottage - draw shape of cottage in air

Little old man at the window stood - hold hands up to eyes like binoculars looking out window

Rabbit running by - hold hand in "peace" sign with two fingers extended to look like rabbit ears, and move hand from one side to the other in "hopping" motion
Frightened as could be - cross arms across chest and twist from side to side

Help me, help me - throw arms up in air

Shoots me dead - clap one hand against the other

Come little rabbit - "come here" gesture with finger

Happy we will be - stroke one hand with the other

[Verse 2]

But the years went by and rock just died, Susie went and left me for some foreign guy,
Long nights cryin' by the record machine dreamin' of my Chevy & my old blue jeans but they'll
Never kill the thrills we got burnin' up to the Crocodile Rock,
Learning fast as the weeks went past, we really thought the Crocodile Rock would last, well

Ding Dong the Witch is Dead

[Glinda]

Come out, come out wherever you are
And meet the young lady who fell from a star
She fell from the sky, she fell very far
And Kansas she says is the name of the star

[Munchkins]

Kansas she says is the name of the star

[Glinda]

She brings you good news, or haven't you heard
When she fell out of Kansas a miracle occurred

[Dorothy]

It really was no miracle

What happened was just this

The wind began to switch, the house to pitch

And suddenly the hinges started to unhitch

Just then the witch, to satisfy and itch

Went flying on her broomstick, thumbling for a
hitch

[Munchkin Man]

And oh what happened then was rich

[Munchkins]

The house began to pitch,
the kitchen took a slitch
It landed on the wicked witch
in the middle of a ditch

Which was not a healthy situation for
the wicked witch

The house began to pitch,
the kitchen took a slitch

It landed on the wicked witch
in the middle of a ditch

Which was not a healthy situation for
the wicked witch

Who began to twitch, and was reduced to just a stitch
Of what was once the wicked witch

[Munchkin 1]

We thank you very sweetly for doing it so neatly

[Munchkin 2]

You've killed her so completely

That we thank you very sweetly

Ding dong page 2

[Glinda]

Let the joyous news be spread
The wicked, old witch at last is dead

[Munchkins]

Ding-dong the witch is dead
Which old witch, the wicked witch
Ding-dong the wicked witch is dead

Wake up you sleepyhead
Rub your eyes, get out of bed
Wake up the wicked witch is dead

She's gone where the goblins go
Below, below, below
Yo-ho, let's open up and sing and ring the bells out

Ding Dong's the merry-oh, sing it high, sing it low
Let them know the Wicked Witch is dead

[Mayor]

As mayor of the Munchkin City
In the county of the land of Oz
I welcome you most regally

[Judge]

But we've got to verify it legally
To see

[Mayor]

To see

[Judge]

If she

[Mayor]

If she

Judge]

Is morally, ethically

[Munchkin 1]

Spiritually, physically

[Munchkin 2]

Positively, absolutely

[Munchkin Men]

Undeniably and reliably dead

Ding dong page 3

[Coroner]

As Coroner, I must aver,
I've thoroughly examined her
And she's not only merely dead
She's really most sincerely dead

[Mayor]

Then this is a day of independence for all the
munchkins
And their descendants
Yes, let the joyous news be spread
The wicked old witch at last is dead

[Munchkins]

Ding-dong the witch is dead
Which old witch, the wicked witch

Can you tie them in a knot?

Can you pull 'em up to here and they still go down to there
Can you sit cross-legged and still not feel naked

Going on a Bear Hunt

Goin' on a Bear Hunt , I'm not afraid
Cause I got my gun.

We are walking down the road, coming
to a field of Tall grass Can't go over it,
Can't go under it, can't go around it,
gotta go through it.

(Sweeping arm motions making
swishing sounds)

Back on the road. Coming to a tall tree
Can't go over it, Can't go under it, can't
go through it, gotta go up it.

(Arm motion climbing up then climbing
back down)

Back on the road, coming to a swamp.
Can't go over it, can't go under it, can't
go around it, gotta go through it.

(March through the mud making
sloshing mud sounds)

Back on the road. Coming to a bridge.
Can't go under it, Can't go around it,
Can't go through it, gotta go over it.
(Pound chest)

Back on the road. Coming to a cave.
Can't go over it, can't go under it,
Can't go through it, Gotta go in it.
Alright, Okay, Let's go!

(Softly)

It's dark in there

(Grobe with one hand) I can't see
anything.

It's really dark in there

(Grobe with both hands)

I can feel something furry

(Feel with one hand)

I can feel something really furry

(feel with both hands)

(Loud and fast)

Oh it's a bear

RUN!

Back on the road, Over the bridge, back
on the road, through the swamp, back
on the road, up the tree – down the tree,
back on the road. Through the tall grass
and home where its safe.

Hallelujah

1. Now I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you?
It goes like this, the fourth, the fifth
The minor fall, the major lift
The baffled king composing "Hallelujah"
Hallelujah, Hallelujah
Hallelujah, Hallelujah

2. Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew you
She tied you to a kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

3. Baby I've been here before
I know this room, I've walked this floor
I used to live alone before I knew you
And I've seen your flag on the marble arch
Love is not a victory march
It 's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

4. There was a time you let me know
What's really going on below
But now you never show it to me, do you?
And remember when I moved in you
The holy dove was moving too
And every breath we drew was Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

(more)

Hallelujah continued

5. You say I took the name in vain
I don't even know the name
But if I did, well really, what's it to you?
There's a blaze of light in every word It
doesn't matter which you heard The holy
or the broken Hallelujah

Hallelujah, Hallelujah
Hallelujah, Hallelujah

6. Maybe there's a God above
But all I've ever learned from love
Was how to shoot at someone who
outdrew you
And it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

7. I did my best, it wasn't much
I couldn't feel, so I tried to touch I've told
the truth, I didn't come to fool you
And even though it all went wrong I'll
stand before the Lord of Song With
nothing on my tongue but Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

Hallelujah I'm a Bum

Chorus

Hallelujah! I'm a bum, Hallelujah bum again
Hallelujah! give us a handout and revive us again

I went to a house and I knocked on the door
A lady says, " Bum, bum, you been here before"

I went to a house, and I asked for some bread
A lady says, " Bum, bum, the baker is dead"

Oh why dont you work like other folk do
How the hell can I work when there's no work to do

Oh why don't you work like other folks do
How can I get a job when you're holding down two

I went to a house, and I asked for some cheese
A lady says, "Bum, bum, you didn't say please"

Oh, I love my boss and my boss loves me
And that is the reason I'm so hungry

Oh why don't you save all the money you earn
Well if I didn't eat, I'd have money to burn

Oh, I like my boss, he's a good friend of mine
And that's why I'm starving out in the breadline

Whenever I get all the money I earn
The boss will be broke and to work he must turn

Final chorus Hallelujah! I'm a bum, Hallelujah bum
again
Hallelujah! give us sixpence for Christ's sake Amen

Have you ever gone fishing?

Have you ever been a-fishing on a bright sunny day,
And seen all the little fishies swimming up and down

Have you ever been fishing on a hot and sunny day
And you're sitting on a bench and the bench gives

Have you ever been fishing on a cold, cold day And
seen all the little fishies frozen solid in the bay, With
their hands in their pockets and their pockets on their
pants And it's too darn cold to do the hootchie

Have you ever been fishing on a rainy, rainy day,
And seen all the little fishies with umbrellas in the

Have you ever been fishing on a hot and cold day,
And seen all the little fishies all confused in the bay,
With their hands in their pockets and their pockets

And they're too darn confused to do the hootchie
kootchie dance.

Hotel California

On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night.

There she stood in the doorway;
I heard the mission bell
And I was thinking to myself
'This could be heaven or this could be Hell'
Then she lit up a candle and she showed me the way
There were voices down the corridor,
I thought I heard them say

[Chorus:]
Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face.
Plenty of room at the Hotel California
Any time of year (any time of year) you can find it here

Her mind is Tiffany-twisted, she got the Mercedes bends
She got a lot of pretty, pretty boys, that she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget

So I called up the Captain,
'Please bring me my wine'
He said, 'we haven't had that spirit here since nineteen sixty-nine'
And still those voices are calling from far away,
Wake you up in the middle of the night
Just to hear them say"

[Chorus:]

Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face.
They livin' it up at the Hotel California
What a nice surprise (what a nice surprise), bring your alibis

Mirrors on the ceiling,
The pink champagne on ice
And she said, 'we are all just prisoners here, of our own device'
And in the master's chambers,
They gathered for the feast
They stab it with their steely knives,
But they just can't kill the beast

Last thing I remember, I was
Running for the door
I had to find the passage back to the place I was before
'Relax' said the night man,
'We are programmed to receive.'
You can check out any time you like,
But you can never leave!"

I Will Survive

At first I was afraid, I was petrified
Kept thinking I could never live without you by my side
But then I spent so many nights thinking how you did me wrong
And I grew strong
And I learned how to get along

Am Dm G Cmaj7
Fmaj7 Bm7 Esus E

And so you're back
From outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock, I should have made you leave your key
If I'd known for just one second you'd be back to bother me

[Chorus:]

Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?
Oh no, not I, I will survive
Oh, as long as I know how to love, I know I'll stay alive
I've got all my life to live
And I've got all my love to give and I'll survive
I will survive, hey, hey

It took all the strength I had not to fall apart
Kept trying hard to mend the pieces of my broken heart
And I spent oh-so many nights just feeling sorry for myself
I used to cry
But now I hold my head up high and you see me

Somebody new
I'm not that chained-up little person and still in love with you
And so you felt like dropping in and just expect me to be free
Well, now I'm saving all my lovin' for someone who's loving
me

Chorus:
C G Am7 (D7) G

[Scarecrow]

I could while away the hours
Conferrin' with the flowers
Consultin' with the rain
And my head I'd be scratchin'
While my thoughts were busy hatchin'
If I only had a brain
I'd unravel every riddle for any individ'le
In trouble or in pain

[Dorothy]

With the thoughts you'd be thinkin'
You could be another Lincoln
If you only had a brain

[Scarecrow]

Oh, I would tell you why
The ocean's near the shore
I could think of things I never thunk before
And then I'd sit and think some more
I would not be just a nuffin'
My head all full of stuffin'
My heart all full of pain
I would dance and be merry
Life would be a ding-a-derry
If I only had a brain

(Tin Man)

When a man's an empty kettle
He should be on his mettle
And yet I'm torn apart
Just because I'm presumin'
That I could be a human
If I only had a heart
I'd be tender, I'd be gentle
And awful sentimental
Regarding love and art
I'd be friends with the sparrows
And the boy that shoots the arrows
If I only had a heart
Picture me a balcony
Above a voice sings low

(Dorothy)

Wherefore art thou, Romeo?

(Tin Man) I hear a beat, how sweet!

Just to register emotion, jealousy,
devotion And really feel the part
I could stay young and chipper
And I'd lock it with a zipper...
If I only had a heart.

If I Only Had a Brain/ Heart/ Nerve

[Lion]

Yeh, it's sad, believe me, Missy
When you're born to be a sissy
Without the vim and verve
But I could change my habits,
nevermore be scared of rabbits,
If I only had the nerve.

I'm afraid there's no denyin'
I'm just a dandelion
A fate I don't deserve

But I could show my prowess
Be a lion, not a mouse
If I only had the nerve

Oh, I'd
be in my stride,
a king down to the core.
Oh I'd roar the way I never roared before,
And then I'd rrrwoof, and roar some more.
I would show the dinosaur
who's king around the forest,
a king they'd better serve.
Why with my regal beezer,
I could be another Caesar
if I only had the nerve.

I'd be brave as a blizzard
I'd be gentle as a lizard
I'd be clever as a gizzard
If the Wizard is a Wizard who will serve?
Then I'm sure to get a brain
A heart, a home, the nerve

Oh, we're off to see the Wizard...

If you're Happy and You Know It

If you're happy and you know it

Clap your hands

If you're happy and you know it Clap your hands If you're
happy and you know it

And you really want to show it

If you're happy and you know it

Clap your hands

Continue in a similar manner --

If you're happy and you know it

Stomp your feet.

If you're happy and you know it

Shout Hooray!

If you're happy and you know it

Do all three

I'll Fly Away

Some glad mornin' when this life is over
I'll fly away
To a home on God's celestial shore
I'll fly away

I'll fly away, oh, glory
I'll fly away
When I die, Hallelujah, by and by
I'll fly away

Just a few more weary days and then
I'll fly away
To a land where joy shall never end
I'll fly away

I'll fly away, oh, glory
I'll fly away
When I die, Hallelujah, by and by
I'll fly away
When I die, Hallelujah, by and by
I'll fly away

I'll Make a Man Out of You

Let's get down to business, to defeat the Huns
Did they send me daughters, when I asked for sons?
You're the saddest bunch I ever met
But you can bet before we're through
Mister, I'll make a man out of you

Tranquil as a forest but on fire within
Once you find your center, you are sure to win
You're a spineless, pale, pathetic lot
And you haven't got a clue
Somehow I'll make a man out of you

I'm never gonna catch my breath
Say goodbye to those who knew me
Boy, was I a fool in school for cutting gym
This guy's got 'em scared to death
Hope he doesn't see right through me
Now I really wish that I knew how to swim

Be a man
We must be swift as the coursing river
Be a man
With all the force of a great typhoon
Be a man
With all the strength of a raging fire
Mysterious as the dark side of the moon

Time is racing toward us till the Huns arrive
Heed my every order and you might survive
You're unsuited for the rage of war
So pack up, go home, you're through
How could I make a man out of you?

Be a man
We must be swift as the coursing river
Be a man
With all the force of a great typhoon
Be a man
With all the strength of a raging fire
Mysterious as the dark side of the moon
Be a man
We must be swift as the coursing river
Be a man
With all the force of a great typhoon
Be a man
With all the strength of a raging fire
Mysterious as the dark side of the moon

Lean on Me

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow
Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on
Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you won't let show
You just call on me brother, when you
need a hand
We all need somebody to lean on
I just might have a problem that you'll
understand
We all need somebody to lean on

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on
You just call on me brother, when you
need a hand
We all need somebody to lean on
I just might have a problem that you'll
understand
We all need somebody to lean on
If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me (call me)
If you need a friend (call me) call me uh

He's blowin' his horn
Already I'm so lonesome
I could die

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go

Don't know when I'll be back again
Oh babe, I hate to go

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing

Every place I go, I'll think of you
Every song I sing, I'll sing for you
When I come back, I'll bring your wedding ring

Now the time has come to leave you

Let me kiss you

And I could be wrong

Maybe I've been hoping too hard

But I've gone this far

And it's more than I hoped for

Who knows how much further we'll go on

Maybe I'll be sorry when you're gone

I'll take my chances

I forgot how nice romance is

I haven't been there for the longest time

I had second thoughts at the start

I said to myself

Hold on to your heart

Now I know the woman that you are

You're wonderful so far

And it's more than I hoped for

I don't care what consequence it brings

I have been a fool for lesser things

I want you so bad

I think you ought to know that

I intend to hold you for the longest time

Make New Friends

Make new friends,
but keep the old.
One is silver,
the other is gold.

A circle is round,
it has no end.
That's how long,
I will be your friend.

A fire burns bright,
it warms the heart.
We've been friends,
from the very start.

You have one hand,
I have the other.
Put them together,
We have each other.

Silver is precious,
Gold is too.
I am precious,
and so are you.

You help me,
and I'll help you
and together
we will see it through.

The sky is blue
The Earth is green
I can help
to keep it clean

Across the land
Across the sea
Friends forever
We will always be

M.T.A. Song

Intro: These are the times that try men's souls
In the course of our nation's history the people
of Boston have rallied bravely whenever the
rights of men have been threatened
Today a new crisis has arisen
The Metropolitan Transit Authority, better
known as the M.T.A.
Is attempting to levy a burdensome tax on the
population in the form of a subway fare
increase
Citizens, hear me out, this could happen to you!

Well, let me tell you of the story of a man
named Charlie
On a tragic and fateful day
He put ten cents in his pocket, kissed his wife
and family
Went to ride on the MTA
Well, did he ever return?
No he never returned and his fate is still
unlearned (what a pity)
He may ride forever 'neath the streets of
Boston
He's the man who never returned

Charlie handed in his dime at the Kendall
Square station
And he changed for Jamaica Plain
When he got there the conductor told him, "one
more nickel"
Charlie couldn't get off of that train!
But did he ever return?
No he never returned and his fate is still
unlearned (poor old Charlie)
He may ride forever 'neath the streets of Boston
He's the man who never returned
Now, all night long Charlie rides through the
station
Crying, "what will become of me?
How can I afford to see my sister in Chelsea
Or my cousin in Roxbury?"
But did he ever return?
No he never returned and his fate is still
unlearned (shame and scandal)
He may ride forever 'neath the streets of Boston
He's the man who never returned

MTA continued

Charlie's wife goes down to the Scollay
Square station
Every day at quarter past two
And through the open window she hands
Charlie a sandwich
As the train comes rumbling through!
But did he ever return?
No he never returned
and his fate is still unlearned
(he may ride forever)
He may ride forever
'neath the streets of Boston
He's the man who never returned

Now, you citizens of Boston,
don't you think it's a scandal
How the people have to pay and pay?
Fight the fare increase,
vote for George O'Brian
Get poor Charlie off the MTA!
Or else he'll never return
No he'll never return
and his fate is still unlearned
(just like Paul Revere)
He may ride forever
'neath the streets of Boston
He's the man who never returned
He's the man who never returned
He's the man who never returned
He's the man who never returned

 She threw them in her tent - Now the socks are charging rent
 She threw them at Lisa - Now her whole house smells like feet-sa
 She threw them at Chuck - Made his family yell what the heck?!
 She threw them at Ruth - The stench made her tell the truth
 She threw them at aunt Sue - Made her camper smell like the loo
 She threw them with a fury- Made the campers leave in a hurry
 She threw them at aunt Cait - but it was a scent you could appreciate

 She threw them at aunt Jan - Let me tell you, she was not a fan
 She threw them at Nick - It made everyone sick
 She threw them at Joe - Never was there such a tale of woe
 She threw them at uncle Jim - left everyone wondering was that smell from him
 She threw them at Ryan - sent everyone running home crying
 She would have thrown them at the older folks sooner - but she had to pause and say okay boomer
 She thre them, you know she can't deny it – That's what started the Hong Kong riots
 She threw them at Katie, I guess she'll never learn – That's what really makes her Feel the Bern
 She threw them in the Atlantic – That's what sank the ship Titanic
 She threw them at uncle Bob – It made the women sob
 She threw them at Izzy – It made poor Izzy dizzy

Puff, the Magic Dragon

Puff, the magic dragon
Lived by the sea
And frolicked in the autumn mist
In a land called Honalee

[Verse 1]
Little Jackie Paper
Loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff
[Chorus]

[Verse 2]
Together they would travel
On a boat with billowed sail
Jackie kept a look-out
Perched on Puff's gigantic tail
Noble kings and princes
Would bow whene'er they came
Pirate ships would lower their flags
When Puff roared out his name
[Chorus]

[Verse 3]
A dragon lives forever
But not so, little boys
Painted wings and giants's rings
Make way for other toys
One grey night it happened
Jackie Paper came no more
And Puff, that mighty dragon
He ceased his fearless roar
(Chorus)

[Verse 4]
His head was bent in sorrow,
green tears fell like rain.
Puff no longer went to play
along the Cherry Lane.
Without his lifelong friend,
Puff could not be brave,
so Puff that mighty dragon
sadly slipped into his cave.
(Chorus)

Rainbow Connection

[Verse 1]

Why are there so many songs about rainbows and
what's on the other side?

Rainbows are visions, but only illusions, and
rainbows have nothing to hide

So we've been told and some choose to believe it
I know they're wrong wait and see

[Hook]

Someday we'll find it, the rainbow connection
The lovers, the dreamers and me

[Verse 2]

Who said that every wish
would be heard and answered
when wished on the morning star?

Somebody thought of that
and someone believed it

Look what it's done so far
What's so amazing that keeps us stargazing
and what do we think we might see?

[Hook]

Someday we'll find it,
the rainbow connection
The lovers, the dreamers and me

[Verse 3]

All of us under its spell
We know that it's probably magic
Have you been half asleep
and have you heard voices?
I've heard them calling my name
Is this the sweet sound
that calls the young sailors
The voice might be one and the same
I've heard it too many times to ignore it
It's something that I'm supposed to be

[Hook]

Someday we'll find it,
the rainbow connection
The lovers, the dreamers and me

Row Your Boat

G G G G
G C D G

Row, row, row your boat
Gently down the stream.
Merrily, merrily, merrily, merilly,
Life is but a dream.

Row, row, row your boat
Gently down the stream.
Throw the Leaders overboard
And listen to them scream.

Row, row, row your boat
Underneath the stream.
Ha, ha! Fooled you.
We're in a submarine.

Row, row, row your boat
Careful as can be.
Watch out for that tidal wave,
We're on the open sea.

Row, row, row your boat.
Try to catch a fish.
Snag 'im, reel 'im, clean 'im, fry 'im,
Place 'im on a dish.

Row, row, row your boat.
Quickly cross the creek.
The boat is filling up real fast,
I think it sprung a leak.

Row, row, row your boat.
With your dog named Rover.
Shut up! Sit Down!
Or, you'll tip us over.
Propel, propel, propel your craft
Placidly along the liquid solution.
Ecstatically, ecstatically, ecstatically, ecstatically
Existence is but a delusion.

D C D C

D C G x2

I'm packed and I'm holding
I'm smiling, she's living, she's golden
And she lives for me
She says she lives for me
Ovation
She's got her own motivation
She comes round and she goes down on me

And I make her smile
It's like a drug for you
Do ever what you want to do
Coming over you
Keep on smiling, what we go through
One stop to the rhythm that divides you

And I speak to you like the chorus to the verse
Chop another line like a coda with a curse
And I come on like a freak show takes the stage
We give them the games we play, she said

[Chorus:]
I want something else
To get me through this
Semi-charmed kind of life
I want something else
I'm not listening when you say
Good-bye

Semi-Charmed Life

The sky it was gold, it was rose
I was taking sips of it through my nose
And I wish I could get back there
Some place back there
Smiling in the pictures you would take
Doing crystal myth
Will lift you up until you break

It won't stop
I won't come down, I keep stock
With a tick-tock rhythm and a bump for the drop
And then I bumped up
I took the hit I was given
Then I bumped again
And then I bumped again

How do I get back there to
The place where I fell asleep inside you?
How do I get myself back to
The place where you said

[Chorus]

I believe in the sand beneath my toes
The beach gives a feeling
An earthy feeling
I believe in the faith that grows
And the four right chords can make me cry
When I'm with you I feel like I could die
And that would be all right
All right

When the plane came in
She said she was crashing
The velvet it rips
In the city we tripped
On the urge to feel alive
But now I'm struggling to survive

The days you were wearing
That velvet dress
You're the priestess, I must confess
Those little red panties
They pass the test
Slide up around the belly
Face down on the mattress

One
Now you hold me
And we're broken

Still its all that I want to do
Feel myself with a head made of the ground
I'm scared but I'm not coming down
And I won't run for my life
She's got her jaws just locked now in smile
But nothing is all right
All right

I want something else
To get me through this life
I want something else
I'm not listening when you say
Good-bye

Seven Old Geezers

Chorus: D G D G
D G A -

Verse: D G C G
D G C G

Refrain:

And it's oh, dear, what can that odor be?
Seven old geezers are drunk and disorderly.
They were rejects from Gentleman's Quarterly,
Somebody call the police.
(Puh-leeze!)

The first old geezer was old Mr. Ladder
He was blessed with an impatient bladder
When his zipper got stuck, well, it didn't matter.
So somebody call the police!

The second old geezer was Mountaineer Munjee
He scaled the tank, reached the top, took the plungee.
Next time, sir, use a much shorter bungee.
And somebody call the police!

The third old geezer was old Mr. Fleemer.
Driven to drink, he was quite a day-dreamer,
Asleep at the wheel of his porcelain Beemer,
So somebody call the police!

The fourth old geezer was old Mr. Wrangle.
When he took a leak he would just let it dangle.
He had the distance but not quite the angle.
So somebody call the police!

The fifth old geezer was a visiting Haitian.
He lifted the lid cause it weren't defecation.
It fell with a thud and they called it castration.
Somebody call 9-1-1!

The sixth old geezer was old Mr. Wurinell.
He did the crosswords in the Lansing State Journal,
Then fell asleep with his head in the urinal.
Somebody call the police!

The seventh old geezer was old Mr. Spinner
He had a bet with a Mexican dinner.
Montezuma's Revenge was the second place winner.
So somebody call the police!

Seven Old Ladies

Chorus: D G D G
D G A -
Verse: D G C G
D G C G

CHORUS:

And its oh dear what can the matter be,
seven old ladies got stuck, in the lavatory,
they were there from Sunday to Saturday,
and nobody knew they were there.

1. The first one's name was Jennifer Prim.
She went in on a personal whim; She got
herself stuck between the bowl and the
rim; and nobody knew she was there.

2. The second old lady was old Mrs.
Humphrey. When she went in , she made
herself comfy; when she tried to get up,
she couldn't get her bum free, Nobody
knew she was there.

3. The third old lady was Che Chester's
daughter. She went in to get rid of some
water. She very near drowned in the rising
tidewater. Nobody knew she was there.

4. The fourth old lady was skinny Miss
Bolder. She sat on the throne; there was no
one to hold her, Quick as a flash she was up
to her shoulders. Nobody knew she was
there.

5. The fifth old lady was old Mrs. Craper.
When she went in, she couldn't find the
paper. The only thing there was a brick
layer's scraper. Nobody knew she was there.

6. The sixth old lady was old Mrs. Mason.
She had to be quick, so she used the basin.
And that was the water that I washed my
face in. I didn't know she'd been there.

7. The seventh old lady was old Mrs. Pender.
She went in to adjust her suspender. She got
herself tangled with the masculine gender.
Nobody knew I was there.

Show me the way to go home.

Somewhere Over the Rainbow

[Verse 1]

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby
Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true

[Chorus]

Someday I'll wish upon a star
And wake up where the clouds are far
Behind me
Where troubles melt like lemon drops
Away above the chimney tops That's
where you'll find me

[Verse 2]

Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow
Why then, oh why can't I?

[Outro]

If happy little bluebirds fly
Beyond the rainbow
Why, oh why can't I?

Song That Never Ends

This is the song that never ends
It just goes on and on, my friend
Some people started singing it
Not knowing what it was
And then they just kept singing it
Forever just because

Just singin' in the rain
What a glorious feeling
I'm happy again.
I'm laughing at clouds.
So dark up above,
The sun's in my heart
And I'm ready for love.
Let the stormy clouds chase.
Everyone from the place
Come on with the rain
I've a smile on my face
I walk down the lane

Swinging on a Star

Chorus:

Would you like to swing on a star? Carry
moonbeams home in a jar, And be better off
than you are?

Or would you rather be a -- ?

...Mule?

A mule is an animal with long furry ears,
He kicks up at anything he hears,
His back is brawny and his brain is weak,
He's just plain stupid with a stubborn streak,
And by the way, if you hate to go to school,
you might grow up to be a mule.

(Chorus)

...Pig?

A pig is an animal with dirt on his face,
His shoes are a terrible disgrace.
He's got no manners when he eats his food,
He's fat and lazy and extremely rude,
But if you don't care a feather or a fig,
You may grow up to be a PIG!

(Chorus)

...Fish?

A fish won't do anything but swim in a brook,
He can't write his name or read a book.
To fool people is his only thought, and though
he's slippery, he still gets caught,
But then if that sort of life is what you wish,
You may grow up to be a FISH!

And all the monkeys aren't in the zoo,
Every day you meet quite a few,
So you see it's all up to you,
You can be better off than you are, You could
be swinging on a star.

There's a Hole in the Bucket

- Liza: Henry! Fetch me some water!
Henry: There's a hole in the bucket dear Liza, dear Liza
There's a hole in the bucket dear Liza, a hole.
Liza: Well, fix it dear Henry, dear Henry, dear Henry, well, fix it dear Henry, dear Henry, fix it.
Henry: With what shall I fix it ...(repeat names, tasks, or questions as above)
Liza: With a straw dear Henry ...
Henry: The straw is too long ...
Liza: Well, cut it dear Henry ...
Henry: With what shall I cut it ...
Liza: With an axe dear Henry ...
Henry: The axe is too dull dear Liza .
Liza: Well, sharpen it dear Henry ...
Henry: With what shall I sharpen it ...
Liza: With a stone dear Henry ...
Henry: The stone is too dry dear Liza ...
Liza: Well, wet it dear Henry ...
Henry: With what shall I wet it ...
Liza: With water dear Henry ...
Henry: In what shall I fetch it ...
Liza: In a bucket dear Henry ...
Henry: There's a hole in the bucket, dear Liza ...

Titanic

Oh, they built the ship Titanic to sail the ocean blue, and they thought they had a ship that the water wouldn't go through, but the good lord raised his hand, said "The ship would never land". It was sad when the great ship went down, down, down.

Refrain:

It was sad, so sad,
It was sad, Alleluia,
It was sad when the great ship went down to the bottom of the sea
Husbands and wives, little children lost their lives,
It was sad when the great ship went down.

They were sailing in from England and were almost to the shore, when the rich refused to associate with the poor. So they put them down below where they'd be the first to go. It was sad when the great ship went down.

Oh the ship was full of water and the sides about to burst, When the captain shouted, “Women and children first!” Oh, the captain tried to wire but the lines were all on fire. It was sad when that great ship went down.

When they swung the lifeboats out o’er the deep and raging sea, And the band struck up with “A-Nearer My God to Thee”, Little children wept and cried as the waves swept over the side, it was sad when that great ship went down.

Lady Astor turned around just to watch her husband drown, As the ship Titanic made a gurgling sound.
So she wrapped herself in mink, As the ship began to sink. It was sad when the great ship went down.

Now the moral of the story is very plain to see, Always wear a life preserver and never go out to sea. Keep your feet upon the ground, ever pure and faithful be. It was sad when the great ship went down.

Last refrain:

Kerplunk, it sunk to the bottom of the sea

Husbands and wives, little children lost their lives,
Uncles and aunts little children lost their pants
Marilyn and George, little children got engorged
Liam and Ro, little children went with the flow
Charlotte and Claire, little children got wet hair
Sophie and Addy, little children called for Daddy
Mary and Jim, little children learned to swim
Max and Via, little children all said, "See ya!"
Jolee and River, little children had to shiver
Joe and Nick, little children all got sick
Emily and Emily, little children lost their family
Jake and Shane, little children went insane
Bella and Dan, little children looked for land
Kayleigh and Izzy, little children got all dizzy
Milo and Sally, little children had to rally
Maggie and Max, little children learned the facts
Evan and Kevin, little children prayed to heaven
Jan and Ryan, little children started flying
Alex and Kenzie, little children in a frenzy
Gage and Tra, little children stopped to play
Cayden and Lisa, little children ordered pizza
Kate, Katie, Cait, little children met their fate

CHORUS 2X

- 3. When the sun comes shining, then I was strolling, and the sheat fields waving, and the dust clouds rolling, A voice was chanting as the fog was lifting, this land was made for you and me.
- 4. In the squares of the cities, by the shadow of the steeples, in the relief office, I saw my people. And some were stumbling and some were wondering if, this land was made for you and me.
- 5. As I went rambling that dusty highway, I saw a sign that said, Private Property. But on the other side it didn't say nothing, that side was made for you and me.
- 6. Nobody living can ever stop me, as I go walking my freedom highway. Nobody living can make me turn back, this land was made for you and me.

Yellow Submarine

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines
So we sailed up to the sun
'Til we found the sea of green
And we lived beneath the waves
In our yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
And our friends are all aboard
Many more of them live next door
And the band begins to play
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

*Spoken: Full speed ahead, Mr. Boatswain,
full speed ahead!
Full speed it is, Sergeant!
Cut the cable, drop the cable!
Aye-aye, sir, aye-aye!
Captain, Captain!*
As we live a life of ease (a life of ease)
Everyone of us (everyone of us)
has all we need (has all we need)
Sky of blue (sky of blue)
and sea of green (sea of green)
In our yellow (in our yellow) submarine
(submarine, ah-ha)
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

Couch Dog

G

D

Hey, hey, hey
Hey, hey, hey
Hey, hey, hey

[Verse 1]

G

If you hungry I got a treat for you
It's from the sofa So what you gonna do

D

Maybe I'll starve to death
If I eat it I'll go blind
Maybe I'm out of my mind
[Pre-Chorus]

G

It's from a Christmas past,
and tales of yesteryear
It's just a hot dog,
so what you got to fear

D

Just take a little bit
You wont need to vomit
It's got 800 comments
That's why I'm gon' take a
[Chorus]

G

Hot dog
It's from the sofa
It's not meat loafa
It's made from gofa

D

It's a hot dog
It just a wiener
That lost it's sheener
And's a little greener

G

You hate this hot dog
It's kinda scary
It's kinda hairy
Not kinda VERY

D

But it's a hot dog
It's good to eat it
You just can't beat it
Go ahead get at meat

[Verse 2]

G

You say it ain't food no more
But was it really food before?
What's the FDA for?
Vintage dogs upholstered in place

D

A taste that's so true
Hey, hey, hey
It's not like duck stew
Hey, hey, hey
What rhymes with duck stew?
Hey, hey, hey
[Pre-chorus:]

G

This family's kind of weird,
they made me write this song
It's what the children feared,
but I can do no wrong

G

This song goin down hill now
Hey, hey, hey
This could get insulting
Hey, hey, hey
It ain't nobody's faulting
Hey, hey, hey
[Chorus:]

G

That's why we're singing bout a
couch dog

Topics departed
Look what we've started
Think Tracy farted

D

It's a couch dog
I added ketchup
Still tastes like plastic
This song's a classic

G

You hate this hot dog
I know you want it
You hate this hot dog
I know you want it
Its growing mold
I know you want it

D

But it's a hot dog
Mysterious meat
Tastes more like stank feet
Go ahead and try me
[Verse 3:]

G

One thing I ask of you
Don't get anywhere near me with that nasty food
It's black and blue, and halfway chewed
For a couch hot dog, that's nearly new.

D

If you're making s'mores then make me two
Throw a Rollo in the middle, it's something good
Fish party is laughable
But I could use a bit of neon green

G

Watch your back, 'cause I'ma throw it and make a scene
We could take a paddle boat, try to do a lap
Try to see if it'll float when we're piled up

D

And I Am not Above the love of a Jello shot
And I couldn't think of any words
That would finish up this verse

It's absurd

So back to you, Mike

[Bridge]

G

Shake your rump , get down, get up

D

Eat it like it hurt, like it hurt

What you doing like word

[Pre-Chorus]

G

Baby can you breathe? It's smells like stanky bratwurst
But hey the food is free If your appendix don't burst

D

That wieners so inviting
Hey, hey, hey
Why the heck we even fighting?
Hey, hey, hey
We used to camp at Brighton

G

That's why I wanted
a couch dog

It's from the sofa
It's not meat loafa
It's made from gofa

D

It's a hot dog
It just a wiener
That lost it's sheener
And's a little greener

G

You hate this hot dog
It's kinda scary
It's kinda hairy
Not kinda VERY

D

But it's a hot dog
It's good to eat it
You just can't beat it

Go ahead get at meat
[Outro]

G

Everybody get up
Everybody get up

D

Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
