A long long time ago
I can still remember how
That music used to make me smile
And I knew if I had my chance
That I could make those people dance
And maybe they'd be happy for a while

But February made me shiver
With every paper I'd deliver
Bad news on the doorstep
I couldn't take one more step
I can't remember if I cried
When I read about his widowed bride
Something touched me deep inside
The day the music died

[Chorus:]
So bye, bye Miss American Pie
Drove my Chevy to the levee
but the levee was dry
And them good ole boys were drinking
whiskey and rye
Singin' this'll be the day that I die
This'll be the day that I die

Did you write the book of love
And do you have faith in God above
If the Bible tells you so?
Do you believe in rock and roll?
Can music save your mortal soul?
And can you teach me how to dance real slow?

Well, I know that you're in love with him
'Cause I saw you dancin' in the gym
You both kicked off your shoes
Man, I dig those rhythm and blues
I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck
But I knew I was out of luck
The day the music died
I started singin' [Chorus]

American Pie

Now, for ten years we've been on our own
And moss grows fat on a rolling stone
But, that's not how it used to be
When the jester sang
for the king and queen In a coat he
borrowed from James Dean And a voice
that came from you and me

Oh and while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned
And while Lennon read a book on Marx
The quartet practiced in the park
And we sang dirges in the dark
The day the music died
We were singin' [Chorus]

Helter skelter in a summer swelter
The birds flew off with a fallout shelter
Eight miles high and falling fast
It landed foul on the grass
The players tried for a forward pass
With the jester on the sidelines in a cast

Now the half-time air was sweet perfume
While sergeants played a marching tune
We all got up to dance
Oh, but we never got the chance
'Cause the players tried to take the field
The marching band refused to yield
Do you recall what was revealed
The day the music died?
We started singin' [Chorus]

Oh, and there we were all in one place
A generation lost in space
With no time left to start again
So come on Jack be nimble, Jack be
quick Jack Flash sat on a candlestick
'Cause fire is the devil's only friend

Oh and as I watched him on the stage
My hands were clenched in fists of rage
No angel born in Hell
Could break that Satan's spell
And as the flames climbed high
into the night
To light the sacrificial rite
I saw Satan laughing with delight
The day the music died
He was singin' [Chorus]

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before
But the man there said the music
wouldn't play

And in the streets the children screamed
The lovers cried, and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son, and the Holy Ghost
They caught the last train for the coast
The day the music died
And they were singing [Chorus] x2

Bear Song

The other day, I met a bear,
A great big bear Oh way out there.
He looked at me, I looked at him,
He sized up me, I sized up him.
He said to me, why don't you run?
I see your ain't got any gun.
And so I ran, away from there
But right behind, me was that bear.
In front of me, there was a tree.
A great big tree, Oh glory be.
The lowest branch, was ten feet up.
I'd have to jump, and trust my luck.
And so I jumped, into the air.
But I missed that branch, on the way up there.
Now don't you fret, and don't you frown.
For I caught that branch, on the way back down.
That's all there is, there ain't no more.
Unless I meet, that bear once more.

Brand new Key

I rode my bicycle past your window last night
I roller skated to your door at daylight
It almost seems like you're avoiding me
I'm okay alone but you've got something I need

Well, I've got a brand new pair of roller skates
You've got a brand new key
I think that we should get together
And try them on to see

I've been looking around awhile
You've got something for me
Oh I've got a brand new pair of roller skates
You've got a brand new key

I ride my bike I rollerskate don't drive no car
Don't go too fast but I go pretty far
For somebody who don't drive
I've been all around the world
Some people say I've done alright for a girl

Oh, yeah yeah
I asked your mother if you were at home
She said yes, but you weren't alone
Sometimes I think that you're avoiding me
I'm okay alone but you've got something I need

Well I've got a brand new pair of roller skates
You've got a brand new key
I think that we should get together
And try them on to see

Cottage in a Wood

In a cottage in a wood
Little old man at the window stood,
Saw a rabbit running by
Frightened as could be.
"Help me, help me, sir," she said,
"Before the huntsman shoots me dead."
"Come, little rabbit, come with me,
Happy we will be."

Actions:

Cottage - draw shape of cottage in air

Little old man at the window stood - hold hands up to eyes like binoculars looking out window

Rabbit running by - hold hand in "peace" sign with two fingers extended to look like rabbit ears, and move hand from one side to the other in "hopping" motion Frightened as could be - cross arms across chest and twist from side to side

Help me, help me - throw arms up in air

Shoots me dead - clap one hand against the other

Come little rabbit - "come here" gesture with finger

Happy we will be - stroke one hand with the other

Ding Dong the Witch is Dead

[Glinda]

Come out, come out wherever you are
And meet the young lady who fell from a star
She fell from the sky, she fell very far
And Kansas she says is the name of the star

[Munchkins]

Kansas she says is the name of the star

[Glinda]

She brings you good news, or haven't you heard
When she fell out of Kansas a miracle occurred

[Dorothy]

It really was no miracle

What happened was just this

The wind began to switch, the house to pitch

And suddenly the hinges started to unhitch

Just then the witch, to satisfy and itch

Went flying on her broomstick, thumbling for a
hitch

[Munchkin Man]

And oh what happened then was rich

[Munchkins]

The house began to pitch,
the kitchen took a slitch
It landed on the wicked witch
in the middle of a ditch

Which was not a healty situation for
the wicked witch

The house began to pitch,
the kitchen took a slitch
It landed on the wicked witch
in the middle of a ditch

Which was not a healthy situation for
the wicked witch

Who began to twitch, and was reduced to just a stitch
Of what was once the wicked witch

[Munchkin 1]

We thank you very sweetly for doing it so neatly

[Munchkin 2]

You've killed her so completely

That we thank you very sweetly

Ding dong page 2

[Glinda]

Let the joyous news be spread
The wicked, old witch at last is dead

[Munchkins]

Ding-dong the witch is dead
Which old witch, the wicked witch
Ding-dong the wicked witch is dead

Wake up you sleepyhead
Rub your eyes, get out of bed
Wake up the wicked witch is dead

She's gone where the goblins go
Below, below, below
Yo-ho, let's open up and sing and ring the bells out

Ding Dong's the merry-oh, sing it high, sing it low
Let them know the Wicked Witch is dead

[Mayor]

As mayor of the Munchkin City
In the county of the land of Oz
I welcome you most regally

[Judge]

But we've got to verify it legally
To see

[Mayor]

To see

[Judge]

If she

[Mayor]

If she

Judge]

Is morally, ethically

[Munchkin 1]

Spiritually, physically

[Munchkin 2]

Positively, absolutely

[Munchkin Men]

Undeniably and reliably dead

Ding dong page 3

[Coroner]

As Coroner, I must aver,
I've thoroughly examined her
And she's not only merely dead
She's really most sincerely dead

[Mayor]

Then this is a day of independence for all the
munchkins
And their descendants
Yes, let the joyous news be spread
The wicked old witch at last is dead

[Munchkins]

Ding-dong the witch is dead
Which old witch, the wicked witch
Ding-dong the wicked witch is dead Wake up you
sleepyhead
Rub your eyes, get out of bed
Wake up the wicked witch is dead
She's gone where the goblins go

Yo-ho, let's open up and sing and ring the bells out
Ding Dong's the merry-oh, sing it high, sing it low
Let them know the Wicked Witch is dead

Do-Re-Mi

Doe a deer, a female deer
Ray a drop of golden sun
Me a name I call myself
Far a long long way to run
Sew, a needle pulling thread
La, a note to follow sew
Tea, a drink with jam and bread
That will bring us back to do oh oh oh

Dough –ray -Me

Dough for beer, I need a beer
Ray, the guy who buys me beer
Me, the guy who wants more beer
Far, a long way to get beer
So, I need another beer

Tea, no, I really need beer
That will bring us back to dough

Do your ears hang low?

Do your ears hang low?

Do they wobble to and fro?

Can you tie them in a knot?

Can you tie them in a bow?

Can you throw them over your shoulder like a Continental soldier?

Do your ears hang low?

Do your shorts hang low

Do they touch below the knee

Can you pull 'em up to here and they still go down to there

Can you sit cross-legged and still not feel naked

Do you shorts hang low

Going on a Bear Hunt

Goin' on a Bear Hunt , I'm not afraid
Cause I got my gun.

We are walking down the road, coming
to a field of Tall grass Can't go over it,
Can't go under it, can't go around it,
gotta go through it.

(Sweeping arm motions making
swishing sounds)

Back on the road. Coming to a tall tree
Can't go over it, Can't go under it, can't
go through it, gotta go up it.

(Arm motion climbing up then climbing
back down)

Back on the road, coming to a swamp.
Can't go over it, can't go under it, can't
go around it, gotta go through it.

(March through the mud making
sloshing mud sounds)

Back on the road. Coming to a bridge.
Can't go under it, Can't go around it,
Can't go through it, gotta go over it.
(Pound chest)

Back on the road. Coming to a cave.
Can't go over it, can't go under it,
Can't go through it, Gotta go in it.
Alright, Okay, Let's go!

(Softly)

It's dark in there

(Grope with one hand) I can't see
anything.

It's really dark in there

(Grope with both hands)

I can feel something furry

(Feel with one hand)

I can feel something really furry

(feel with both hands)

(Loud and fast)

Oh it's a bear

RUN!

Back on the road, Over the bridge, back
on the road, through the swamp, back
on the road, up the tree – down the tree,
back on the road. Through the tall grass
and home where its safe.

Hallelujah

1. Now I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you?
It goes like this, the fourth, the fifth
The minor fall, the major lift
The baffled king composing "Hallelujah"
Hallelujah, Hallelujah
Hallelujah, Hallelujah

2. Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew you
She tied you to a kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

3. Baby I've been here before
I know this room, I've walked this floor
I used to live alone before I knew you
And I've seen your flag on the marble arch
Love is not a victory march
It's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

4. There was a time you let me know
What's really going on below
But now you never show it to me, do you?
And remember when I moved in you
The holy dove was moving too
And every breath we drew was Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

(more)

Hallelujah continued

5. You say I took the name in vain
I don't even know the name
But if I did, well really, what's it to you?
There's a blaze of light in every word It
doesn't matter which you heard The holy
or the broken Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

6. Maybe there's a God above
But all I've ever learned from love
Was how to shoot at someone who
outdrew you
And it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

7. I did my best, it wasn't much
I couldn't feel, so I tried to touch I've told
the truth, I didn't come to fool you
And even though it all went wrong I'll
stand before the Lord of Song With
nothing on my tongue but Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

Have you ever gone fishing?

Have you ever been a-fishing on a bright sunny day,
And seen all the little fishies swimming up and down
the bay, With their hands in their pockets and their
pockets in their pants And all the little fishies do the
hootchie kootchie dance.

Tra-la-la-la-la, tra-la-la-la.

Tra-la-la-la-la, tra-la-la-la.

With their hands in their pockets and their pockets in
their pants, All the little fishies doing the hootchie
kootchie dance.

Have you ever been fishing on a hot and sunny day
And you're sitting on a bench and the bench gives
way, With an alligator snapping at the seat of your
pants, And all the little fishies doing the hootchie
kootchie dance.

Have you ever been fishing on a cold, cold day And
seen all the little fishies frozen solid in the bay, With
their hands in their pockets and their pockets on their
pants And it's too darn cold to do the hootchie
kootchie dance.

Have you ever been fishing on a rainy, rainy day,
And seen all the little fishies with umbrellas in the
bay, With their hands in their pockets and their
pockets on their pants, All the little fishies doing the
hootchie kootchie dance.

Have you ever been fishing on a hot and cold day,
And seen all the little fishies all confused in the bay,
With their hands in their pockets and their pockets
on their shirts,
And they're too darn confused to do the hootchie
kootchie dance.

Well, I once had a chicken but she wouldn't lay an
egg, so I poured hot water up and down her leg.
Well, the little chicken hollered and the little chicken
begged. Then the poor old chicken laid a hard-
boiled egg.

Herman the Worm

As I was sitting, on my fence post chewing my bubble gum

Along came Herman the worm

So I said: Herman, what happened?!?
And he said:

Duh, I ate a snake (Chorus)
Duh, I ate a rabbit (Chorus)
Duh, I ate a dog (Chorus)
Duh, I ate a cow (Chorus)
Duh, I burped!

The leaders that they give you, they say they're mighty fine

(V)7

(I)

But when they take their makeup off they look like Frankenstein

(chorus in between each verse)

The nurses that they give you, they say they're mighty fine

But when you break a finger, they break the other nine

The donuts that they give you, they say they're mighty fine

But one rolled off the table and killed a friend of mine

The toilets that they give you, they say they're mighty fine

But when you go to flush them, they cut off your behind

The water that they give you, they say it's mighty fine

But when you take a sip of it, it tastes like turpentine

The lifeguards that they give you, they say they're mighty fine

But when you say you're drowning, they say you're doing fine

If I Had A Million Dollars

If I had a million dollars (If I had a million dollars)

Maybe we could put a little tiny fridge in there somewhere
(V) (strum once)

You know, we could just go up there and hang out

[Break] (Talking part)

(I)

Like open the fridge and stuff
(V)

There would already be laid out foods for us
(IV)sus2 (I)

Like little pre-wrapped sausages and things

(I) (V) (IV)sus2

They have pre-wrapped sausages but they don't have pre-wrapped bacon

(IV) (strum once)

Well, can you blame 'em

N.C.

Uh, yeah

If I had a million dollars, we wouldn't have to eat Kraft Dinner
(V) (strum once)
But we would eat Kraft Dinner

And buy really expensive ketchups with it
That's right, all the fanciest ke... dijon ketchups!
Mmmmmm, Mmmm-Hmmm

[Verse]

If I had a million dollars (If I had a million dollars)
Well, I'd buy you a green dress (But not a real green dress, that's cruel)
And if I had a million dollars (If I had a million dollars)
Well, I'd buy you some art (A Picasso or a Garfunkel)
If I had a million dollars (If I had a million dollars)
Well, I'd buy you a monkey (Haven't you always wanted a monkey)
If I had a million dollars, I'd buy your love

[Outro]

If I had a million dollars, If I had a million dollars, If I had a million dollars,
If I had a million dollars, If I had a million dollars

(V) (strum once)
I'd be rich
(I) (IV) (V) (I)

If I Only Had a Brain

[Scarecrow]

I could while away the hours
Conferrin' with the flowers
Consultin' with the rain
And my head I'd be scratchin'
While my thoughts were busy hatchin'
If I only had a brain
I'd unravel every riddle for any individ'le
In trouble or in pain

[Dorothy]

With the thoughts you'd be thinkin'
You could be another Lincoln
If you only had a brain

[Scarecrow]

Oh, I would tell you why
The ocean's near the shore
I could think of things I never thunk before
And then I'd sit and think some more
I would not be just a nuffin'
My head all full of stuffin'
My heart all full of pain
I would dance and be merry
Life would be a ding-a-derry
If I only had a brain

(Tin Man)

When a man's an empty kettle
He should be on his mettle
And yet I'm torn apart
Just because I'm presumin'
That I could be a human
If I only had a heart
I'd be tender, I'd be gentle
And awful sentimental
Regarding love and art
I'd be friends with the sparrows
And the boy that shoots the arrows
If I only had a heart
Picture me a balcony
Above a voice sings low

(Dorothy)

Wherefore art thou, Romeo?

(Tin Man) I hear a beat, how sweet!

Just to register emotion, jealousy,
devotion And really feel the part
I could stay young and chipper
And I'd lock it with a zipper...
If I only had a heart.

If I Only Had a Brain/ Heart/ Nerve

[Lion]

Yeh, it's sad, believe me, Missy
When you're born to be a sissy
Without the vim and verve
But I could change my habits,
nevermore be scared of rabbits,
If I only had the nerve.

I'm afraid there's no denyin'
I'm just a dandelion
A fate I don't deserve

But I could show my prowess
Be a lion, not a mouse
If I only had the nerve

Oh, I'd
be in my stride,
a king down to the core.
Oh I'd roar the way I never roared before,
And then I'd rrrwoof, and roar some more.
I would show the dinosaur
who's king around the forest,
a king they'd better serve.
Why with my regal beezer,
I could be another Caesar
if I only had the nerve.

I'd be brave as a blizzard
I'd be gentle as a lizard
I'd be clever as a gizzard
If the Wizard is a Wizard who will serve?
Then I'm sure to get a brain
A heart, a home, the nerve

Oh, we're off to see the Wizard...

If you're Happy and You Know It

If you're happy and you know it

Clap your hands

If you're happy and you know it Clap your hands If you're
happy and you know it

And you really want to show it

If you're happy and you know it

Clap your hands

Continue in a similar manner --

If you're happy and you know it

Stomp your feet.

If you're happy and you know it

Shout Hooray!

If you're happy and you know it

Do all three

Perhaps she'll die.

I've been working on the railroad, all the livelong day.
I've been working on the railroad, to pass the time of day.
Can't you hear the whistle blowing? Rise up so early in the morn.
Don't you hear the captain shouting. Dinah, blow your horn.

Dinah won't you blow, Dinah won't you blow, Dinah won't you blow your horn?
Dinah won't you blow, Dinah won't you blow, Dinah won't you blow your horn?

Someone's in the kitchen with Dinah, Someone's in the kitchen I know.
Someone's in the kitchen with Dinah, Strumming on the old banjo.

And playing Fee fi fiddle e I o, fee fi fiddle e I o,
Fee fi fiddle e I o ,
Strumming on the old banjo.

John Jacob

John Jacob Jingle Heimer Schmidt,
His name is my name, too!
Whenever we go out,
the people always shout,
There goes John Jacob Jingle Heimer Schmidt!
La-la-la-la-la-la-la!

Repeat getting quieter each time

There you see her
Sitting there across the way
She don't got a lot to say
But there's something about her
And you don't know why
But you're dyin' to try
You wanna kiss the girl

Yes, you want her
Look at her, you know you do
Possible she want you too
There is one way to ask her
It don't take a word
Not a single word
Go on and kiss the girl

Sing with me now:
Sha la la la la la
My oh my
Look like the boy too shy
Ain't gonna kiss the girl
Sha la la la la la
Ain't that sad?
Ain't it a shame? Too bad
He gonna miss the girl

Kiss The Girl

Floatin' in a blue lagoon
Boy, you better do it soon
No time will be better
She don't say a word
And she won't say a word
Until you kiss the girl

Sha la la la la la
Don't be scared
You got the mood prepared
Go on and kiss the girl
Sha la la la la la
Don't stop now
Don't try to hide it, How
you want to kiss the girl
Sha la la la la la
Float along
And listen to the song
The song say, "kiss the girl"

Sha la la la la
Music play
Do what the music say
You got to kiss the girl
You've got to kiss the girl
You wanna kiss the girl
You've gotta kiss the girl

Lean on Me

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow
Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on
Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you won't let show
You just call on me brother, when you
need a hand
We all need somebody to lean on
I just might have a problem that you'll
understand
We all need somebody to lean on

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on
You just call on me brother, when you
need a hand
We all need somebody to lean on
I just might have a problem that you'll
understand
We all need somebody to lean on
If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me (call me)
If you need a friend (call me) call me uh
huh (call me) if you need a friend (call me)
If you ever need a friend (call me) Call me
(call me) call me (call me) call me
(Call me) call me (call me) if you need a
friend

I'll give you 3 chances.
Then I'll turn you into a goon!
The next day...

M.T.A. Song

Intro: These are the times that try men's souls
In the course of our nation's history the people
of Boston have rallied bravely whenever the
rights of men have been threatened
Today a new crisis has arisen
The Metropolitan Transit Authority, better
known as the M.T.A.
Is attempting to levy a burdensome tax on the
population in the form of a subway fare
increase
Citizens, hear me out, this could happen to you!

Well, let me tell you of the story of a man
named Charlie
On a tragic and fateful day
He put ten cents in his pocket, kissed his wife
and family
Went to ride on the MTA
Well, did he ever return?
No he never returned and his fate is still
unlearned (what a pity)
He may ride forever 'neath the streets of
Boston
He's the man who never returned

Charlie handed in his dime at the Kendall
Square station
And he changed for Jamaica Plain
When he got there the conductor told him, "one
more nickel"
Charlie couldn't get off of that train!
But did he ever return?
No he never returned and his fate is still
unlearned (poor old Charlie)
He may ride forever 'neath the streets of Boston
He's the man who never returned
Now, all night long Charlie rides through the
station
Crying, "what will become of me?
How can I afford to see my sister in Chelsea
Or my cousin in Roxbury?"
But did he ever return?
No he never returned and his fate is still
unlearned (shame and scandal)
He may ride forever 'neath the streets of Boston
He's the man who never returned

MTA continued

Charlie's wife goes down to the Scollay
Square station
Every day at quarter past two
And through the open window she hands
Charlie a sandwich
As the train comes rumbling through!
But did he ever return?
No he never returned
and his fate is still unlearned
(he may ride forever)
He may ride forever
'neath the streets of Boston
He's the man who never returned

Now, you citizens of Boston,
don't you think it's a scandal
How the people have to pay and pay?
Fight the fare increase,
vote for George O'Brian
Get poor Charlie off the MTA!
Or else he'll never return
No he'll never return
and his fate is still unlearned
(just like Paul Revere)
He may ride forever
'neath the streets of Boston
He's the man who never returned
He's the man who never returned
He's the man who never returned
He's the man who never returned

Puff, the Magic Dragon

Puff, the magic dragon
Lived by the sea
And frolicked in the autumn mist
In a land called Honalee

[Verse 1]
Little Jackie Paper
Loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff
[Chorus]

[Verse 2]
Together they would travel
On a boat with billowed sail
Jackie kept a look-out
Perched on Puff's gigantic tail
Noble kings and princes
Would bow whene'er they came
Pirate ships would lower their flags
When Puff roared out his name
[Chorus]

[Verse 3]
A dragon lives forever
But not so, little boys
Painted wings and giants's rings
Make way for other toys
One grey night it happened
Jackie Paper came no more
And Puff, that mighty dragon
He ceased his fearless roar
(Chorus)

[Verse 4]
His head was bent in sorrow,
green tears fell like rain.
Puff no longer went to play
along the Cherry Lane.
Without his lifelong friend,
Puff could not be brave,
so Puff that mighty dragon
sadly slipped into his cave.
(Chorus)

Rainbow Connection

[Verse 1]

Why are there so many songs about rainbows and
what's on the other side?

Rainbows are visions, but only illusions, and
rainbows have nothing to hide

So we've been told and some choose to believe it
I know they're wrong wait and see

[Hook]

Someday we'll find it, the rainbow connection
The lovers, the dreamers and me

[Verse 2]

Who said that every wish
would be heard and answered
when wished on the morning star?

Somebody thought of that
and someone believed it

Look what it's done so far
What's so amazing that keeps us stargazing
and what do we think we might see?

[Hook]

Someday we'll find it,
the rainbow connection
The lovers, the dreamers and me

[Verse 3]

All of us under its spell
We know that it's probably magic
Have you been half asleep
and have you heard voices?
I've heard them calling my name
Is this the sweet sound
that calls the young sailors
The voice might be one and the same
I've heard it too many times to ignore it
It's something that I'm supposed to be

[Hook]

Someday we'll find it,
the rainbow connection
The lovers, the dreamers and me

Semi-Charmed Life

I'm packed and I'm holding
I'm smiling, she's living, she's golden
And she lives for me
She says she lives for me
Ovation
She's got her own motivation
She comes round and she goes down on me

And I make her smile
It's like a drug for you
Do ever what you want to do
Coming over you
Keep on smiling, what we go through
One stop to the rhythm that divides you

And I speak to you like the chorus to the verse
Chop another line like a coda with a curse
And I come on like a freak show takes the stage
We give them the games we play, she said

[Chorus:]
I want something else
To get me through this
Semi-charmed kind of life
I want something else
I'm not listening when you say
Good-bye

The sky it was gold, it was rose
I was taking sips of it through my nose
And I wish I could get back there
Some place back there
Smiling in the pictures you would take
Doing crystal myth
Will lift you up until you break

It won't stop
I won't come down, I keep stock
With a tick-tock rhythm and a bump for the drop
And then I bumped up
I took the hit I was given
Then I bumped again
And then I bumped again

How do I get back there to
The place where I fell asleep inside you?
How do I get myself back to
The place where you said

[Chorus]

I believe in the sand beneath my toes
The beach gives a feeling
An earthy feeling
I believe in the faith that grows
And the four right chords can make me cry
When I'm with you I feel like I could die
And that would be all right
All right

When the plane came in
She said she was crashing
The velvet it rips
In the city we tripped
On the urge to feel alive
But now I'm struggling to survive

The days you were wearing
That velvet dress
You're the priestess, I must confess
Those little red panties
They pass the test
Slide up around the belly
Face down on the mattress

One
Now you hold me
And we're broken

Still its all that I want to do
Feel myself with a head made of the ground
I'm scared but I'm not coming down
And I won't run for my life
She's got her jaws just locked now in smile
But nothing is all right
All right

I want something else
To get me through this life
I want something else
I'm not listening when you say
Good-bye

Seven Old Ladies

CHORUS:

And its oh dear what can the matter be,
seven old ladies got stuck, in the lavatory,
they were there from Sunday to Saturday,
and nobody knew they were there.

1. The first one's name was Jennifer Prim.
She went in on a personal whim; She got
herself stuck between the bowl and the
rim; and nobody knew she was there.

2. The second old lady was old Mrs.
Humphrey. When she went in , she made
herself comfy; when she tried to get up,
she couldn't get her bum free, Nobody
knew she was there.

3. The third old lady was Che Chester's
daughter. She went in to get rid of some
water. She very near drowned in the rising
tidewater. Nobody knew she was there.

4. The fourth old lady was skinny Miss
Bolder. She sat on the throne; there was no
one to hold her, Quick as a flash she was up
to her shoulders. Nobody knew she was
there.

5. The fifth old lady was old Mrs. Craper.
When she went in, she couldn't find the
paper. The only thing there was a brick
layer's scraper. Nobody knew she was there.

6. The sixth old lady was old Mrs. Mason.
She had to be quick, so she used the basin.
And that was the water that I washed my
face in. I didn't know she'd been there.

7. The seventh old lady was old Mrs. Pender.
She went in to adjust her suspender. She got
herself tangled with the masculine gender.
Nobody knew I was there.

Show Me The Way To Go Home

Show me the way to go home
I'm tired and I want to go to bed
Had a little drink about an hour ago,
And it went straight to my head.
Where ever I may roam,
On land or sea or foam
You can always hear me singing this song
Show me the way to go home.

Translation:

Indicate the direction to my habitual abode
I'm fatigued and I want to retire
Had an alcoholic beverage 60 minutes ago
and it went straight to my cerebellum.
Wherever I may perambulate
On land or sea or agitated water
You can always hear me chanting this melody
Indicate the direction to my habitual abode

Somewhere Over the Rainbow

[Verse 1]

Somewhere over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby
Somewhere over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true

[Chorus]

Someday I'll wish upon a star
And wake up where the clouds are far
Behind me
Where troubles melt like lemon drops
Away above the chimney tops That's
where you'll find me

[Verse 2]

Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow
Why then, oh why can't I?

[Outro]

If happy little bluebirds fly
Beyond the rainbow
Why, oh why can't I?

Song that Never Ends

This is the song that never ends
It just goes on and on, my friend
Some people started singing it
Not knowing what it was
And then they just kept singing it
Forever just because

Singing In The Rain

La la la la, la la la la la

I'm singing in the rain, just singing in the rain,
what a glorious feeling I'm happy again.

Wait, To sing this song you got to have your...

Arms out

Thumbs down

Elbows in

Knees together

Toes together

Belly out

Bottoms out

Tongue out

I'm singin' in the rain
Just singin' in the rain
What a glorious feeling
I'm happy again.
I'm laughing at clouds.
So dark up above,
The sun's in my heart
And I'm ready for love.
Let the stormy clouds chase.
Everyone from the place
Come on with the rain
I've a smile on my face
I walk down the lane
With a happy refrain
Just singing,...

Swinging on a Star

Chorus:

Would you like to swing on a star? Carry
moonbeams home in a jar, And be better off
than you are?

Or would you rather be a -- ?

...Mule?

A mule is an animal with long furry ears,
He kicks up at anything he hears,
His back is brawny and his brain is weak,
He's just plain stupid with a stubborn streak,
And by the way, if you hate to go to school,
you might grow up to be a mule.

(Chorus)

...Pig?

A pig is an animal with dirt on his face,
His shoes are a terrible disgrace.
He's got no manners when he eats his food,
He's fat and lazy and extremely rude,
But if you don't care a feather or a fig,
You may grow up to be a PIG!

(Chorus)

...Fish?

A fish won't do anything but swim in a brook,
He can't write his name or read a book.
To fool people is his only thought, and though
he's slippery, he still gets caught,
But then if that sort of life is what you wish,
You may grow up to be a FISH!

And all the monkeys aren't in the zoo,
Every day you meet quite a few,
So you see it's all up to you,
You can be better off than you are, You could
be swinging on a star.

There's a Hole in the Bucket

- Liza: Henry! Fetch me some water!
Henry: There's a hole in the bucket dear Liza, dear Liza
There's a hole in the bucket dear Liza, a hole.
Liza: Well, fix it dear Henry, dear Henry, dear Henry, well, fix it dear Henry, dear Henry, fix it.
Henry: With what shall I fix it ...(repeat names, tasks, or questions as above)
Liza: With a straw dear Henry ...
Henry: The straw is too long ...
Liza: Well, cut it dear Henry ...
Henry: With what shall I cut it ...
Liza: With an axe dear Henry ...
Henry: The axe is too dull dear Liza .
Liza: Well, sharpen it dear Henry ...
Henry: With what shall I sharpen it ...
Liza: With a stone dear Henry ...
Henry: The stone is too dry dear Liza ...
Liza: Well, wet it dear Henry ...
Henry: With what shall I wet it ...
Liza: With water dear Henry ...
Henry: In what shall I fetch it ...
Liza: In a bucket dear Henry ...
Henry: There's a hole in the bucket, dear Liza ...

Titanic

Oh, they built the ship Titanic to sail the ocean blue, and they thought they had a ship that the water wouldn't go through, but the good lord raised his hand, said "The ship would never land". It was sad when the great ship went down, down, down.

Refrain:

It was sad, so sad,
It was sad, too bad,
It was sad when the great ship went down to the bottom of the sea
Husbands and wives, little children lost their lives,
It was sad when the great ship went down, down, down.

They were nearing England's shore, when the water began to pour. And the rich refused to associate with the poor, so they sent them down below where they'd be the first to go. It was sad when the great ship went down, down, down.

When they swung the lifeboats out on the deep and raging sea, And the band struck up nearer my God to thee, little children wept and cried as the waves swept over the side, it was sad when the great ship went down.

Lady Astor turned around just to see her husband drown, as the ship Titanic made a gurgling sound. So she wrapped herself in mink, as the ship began to sink. It was sad when the great ship went down, down, down.

Now the moral of the story is very plain to see, you should wear a life preserver when you go out to sea. The Titanic never made it and never more shall be. It was sad when the great ship went down, down, down.

Kerplunk, it sunk to the bottom of the sea

Husbands and wives, little children lost their lives,
Uncles and aunts little children lost their pants
Marilyn and George, little children got engorged
Liam and Ro, little children went with the flow
Charlotte and Claire, little children got wet hair
Sophie and Addy, little children called for Daddy
Mary and Jim, little children learned to swim
Max and Via, little children all said, "See ya!"
Jolee and River, little children had to shiver
Joe and Nick, little children all got sick
Emily and Emily, little children lost their family
Jake and Shane, little children went insane
Bella and Dan, little children looked for land
Kayleigh and Izzy, little children got all dizzy
Milo and Sally, little children had to rally
Maggie and Max, little children learned the facts
Evan and Kevin, little children prayed to heaven
Jan and Ryan, little children started flying
Alex and Kenzie, little children in a frenzy
Gage and Tra, little children stopped to play
Cayden and Lisa, little children ordered pizza
Kate, Katie, Cait, little children met their fate

- 4. In the squares of the cities, by the shadow of the steeples, in the relief office, I saw my people. And some were stumbling and some were wondering if, this land was made for you and me.
- 5. As I went rambling that dusty highway, I saw a sign that said, Private Property. But on the other side it didn't say nothing, that side was made for you and me.
- 6. Nobody living can ever stop me, as I go walking my freedom highway. Nobody living can make me turn back, this land was made for you and me.

Yellow Submarine

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines
So we sailed up to the sun
'Til we found the sea of green
And we lived beneath the waves
In our yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine
And our friends are all aboard
Many more of them live next door
And the band begins to play
We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

*Spoken: Full speed ahead, Mr. Boatswain,
full speed ahead!*

Full speed it is, Sergeant!

Cut the cable, drop the cable!

Aye-aye, sir, aye-aye!

Couch Dog

G

D

Hey, hey, hey
Hey, hey, hey
Hey, hey, hey

[Verse 1]

G

If you hungry I got a treat for you
It's from the sofa So what you gonna do

D

Maybe I'll starve to death

If I eat it I'll go blind

Maybe I'm out of my mind

[Pre-Chorus]

G

It's from a Christmas past,
and tales of yesteryear
It's just a hot dog,
so what you got to fear

D

Just take a little bit

You wont need to vomit

It's got 800 comments

That's why I'm gon' take a

[Chorus]

G

Hot dog

It's from the sofa

It's not meat loafa

It's made from gofa

D

It's a hot dog

It just a wiener

That lost it's sheener

And's a little greener

G

You hate this hot dog

It's kinda scary

It's kinda hairy

Not kinda VERY

D

But it's a hot dog

It's good to eat it

You just can't beat it

Go ahead get at meat

[Verse 2]

G

You say it ain't food no more
But was it really food before?
What's the FDA for?
Vintage dogs upholstered in place

D

A taste that's so true

Hey, hey, hey

It's not like duck stew

Hey, hey, hey

What rhymes with duck stew?

Hey, hey, hey

[Pre-chorus:]

G

This family's kind of weird,
they made me write this song
It's what the children feared,
but I can do no wrong

G

This song goin down hill now

Hey, hey, hey

This could get insulting

Hey, hey, hey

It ain't nobody's faulting

Hey, hey, hey

[Chorus:]

G

That's why we're singing bout a
couch dog

Topics departed

Look what we've started

Think Tracy farted

D

It's a couch dog

I added ketchup

Still tastes like plastic

This song's a classic

G

You hate this hot dog

I know you want it

You hate this hot dog

I know you want it

Its growing mold

I know you want it

D

But it's a hot dog
Mysterious meat
Tastes more like stank feet
Go ahead and try me

[Verse 3:]

G

One thing I ask of you

Don't get anywhere near me with that nasty food

It's black and blue, and halfway chewed

For a couch hot dog, that's nearly new.

D

If you're making s'mores then make me two

Throw a Rollo in the middle, it's something good

Fish party is laughable

But I could use a bit of neon green

G

Watch your back, 'cause I'ma throw it and make a scene

We could take a paddle boat, try to do a lap

Try to see if it'll float when we're piled up

D

And I Am not Above the love of a Jello shot

And I couldn't think of any words

That would finish up this verse

It's absurd

So back to you, Mike

[Bridge]

G

Shake your rump , get down, get up

D

Eat it like it hurt, like it hurt

What you doing like word

[Pre-Chorus]

G

Baby can you breathe? It's smells like stanky bratwurst

But hey the food is free If your appendix don't burst

D

That wieners so inviting

Hey, hey, hey

Why the heck we even fighting?

Hey, hey, hey

We used to camp at Brighton

G

That's why I wanted
a couch dog

It's from the sofa

It's not meat loafa

It's made from gofa

D

It's a hot dog

It just a wiener

That lost it's sheener

And's a little greener

G

You hate this hot dog

It's kinda scary

It's kinda hairy

Not kinda VERY

D

You just can't beat it

Go ahead get at meat

[Outro]

G

Everybody get up

Everybody get up

D

This Camp

[Verse 1]

(I)
 Waking up to neck pain from sleeping in tents
 (VI)m7
 Even hanging out with folks who voted Trump/Pence
 (IV)add9
 It's hard
 (I)
 Yesterday was too hot, today is too damp
 (VI)m7
 It's funny how things never change in this Codd Camp
 (IV)add9 (V)
 So far from the bars
 [Pre-Chorus]
 (II)m7 (V)
 And it's all about the simple things
 (I) (V)/(VII) (VI)m7
 Like glowstick wars and neon green and red cups around
 (II)m7 (V)
 And all the many songs to sing
 (I) (I)/(VII) (VI)m7
 From when we were the children playing at every
 campground
 (IV)
 And now I'm back with you now
 [Chorus]
 (VI)m7
 If the whole world was burning I'd still camp with you
 (IV)add9
 Drive highways and byways to drink the night through
 (I)
 Over and over with friends and fam
 (VI)m (V) (I) (IV)add9
 Sing Oh Wah Tygoo Siam
 (VI)m7 (V) (I)
 Mmm-mm-mm

[Verse 2]

(I)
 Each football game we play will end in a tie
 (VI)m
 And if the coals are too hot you'll burn your pizza pie
 (IV)add9
 It's so hard
 (V)
 So hard

[Pre-Chorus]

(II)m7 (V)
 And it's all about the stranger things
 (I) (I)/(VII) (VI)m7
 Like ranger traps and Ranger Pats and mannequins we
 found
 (II)m7 (V)
 And all the many songs to sing
 (I) (I)/(VII) (VI)m7
 From when we were the children playing at every
 campground
 (IV)add9
 And now I'm back with you now

[Chorus]

(VI)m7
 If the whole world was burning I'd still camp with you
 (IV)add9
 Drive highways and byways to drink the night through
 (I)
 Over and over with friends and fam
 (VI)m (V) (I) (IV)add9
 Sing Oh Wah Tygoo Siam
 (I)
 You still call it rustic with your new microwave
 (VI)m7
 And the DNR comes from a far they say to behave
 (IV)add9
 Over and over the only truth
 (VI)m7 (V) (I) (IV)add9
 Sing Oh Wah Tygoo Siam
 (VI)m7 (V) (I)
 Mmm-mm-mm

[Bridge]

(VI)m7 (I)/(VII)
 And the stars in the sky
 (I)
 They make me ask why
 (IV)add9
 I'd ever leave here
 [Chorus]
 (VI)m7
 Cause if the whole world was burning
 I'd still camp with you
 (IV)add9
 Drive highways and byways
 to drink the night through
 (I)
 Over and over with friends and fam
 (VI)m7 (V) (I) (IV)add9
 Sing Oh Wah Tygoo Siam
 (I)
 You still call it rustic with your satellite dish
 (VI)m7
 And seriously whats with this obsession with fish?
 [Outro]
 (IV)add9
 Over and over with friends and fam
 (VI)m7 (V) (I) (IV)add9
 Sing Oh Wah Tygoo Siam
 (VI)m7 (V) (I)
 Mmm-mm-mm
 (VI)m7 (V) (I) (IV)add9
 Sing Oh Wah Tygoo Siam
 (VI)m7 (V) (I)
 Mmm-mm-mm
